

Tacotunes.com is proud to offer an extended parts warranty on our 2022+ Tundra powered subwoofer enclosures, compatible with both Hybrid and Non-Hybrid models.

Included 1 year Warranty & Extended Warranty Terms and conditions:

The following warranty options are strictly contingent upon using the official signal harnesses and power kits offered with this kit. Utilizing third-party or outsourced components will disqualify this product from warranty coverage.

Included 1 year Parts warranty – FREE

This kit includes a 1-year limited parts warranty. Please note that this coverage is void if third-party signal harnesses or power kits are used in place of the official add-ons provided with this kit.

Additionally, damage resulting from improper Assembly, installation, or tuning resulting in amplifier failure or burnt subwoofer voice coils—is not covered under this warranty.

If you have any installation questions or concerns, please contact our team (210) 472-0000

2 Year Extended Parts warranty - \$69.99

2 Year Limited year parts warranty on all kit components. Coverage is voided if the enclosure is improperly assembled, installed or tuned, resulting in amplifier failure or burnt subwoofer voice coils.

If you have any installation questions or concerns, please contact our team (210) 472-0000

3 Year Extended Parts warranty - \$99.99

3 Year Limited year parts warranty on all kit components. Coverage is voided if the enclosure is improperly assembled, installed or tuned, resulting in amplifier failure or burnt subwoofer voice coils.

If you have any installation questions or concerns, please contact our team (210) 472-0000
